

2022 MMYSA Concussion Training

2.1. The FIRST APPROVED OPTION is provided by the National Federation of State High School Associations Concussion in Sports – What You Need to Know, which can be found at <http://www.nfhslearn.com/electiveDetail.aspx?courseID=38000> This online course will require you to click on the "order here" button to begin the training. It will ask you to complete a brief registration form prior to beginning the course, which is solely for the purpose of registering you in their database as having successfully completed the online material. After you have completed this course you will be given the option to print a personalized certificate of completion (It is suggested that this certificate be printed in .pdf format, otherwise your name may not appear on this certificate).

2.2. The SECOND APPROVED OPTION is through the Center for Disease Control and their Prevention Heads Up Concussion in Youth Sports Online training program, which is at <https://www.cdc.gov/headsup/youthsports/training/index.html> Click on the online training course button to begin your training. After successfully completing the online training, you will be offered an opportunity to print a personalized "certificate of completion". FYI – this option does not keep a record of your completing this training.

2.3. After completing either the FIRST OR SECOND APPROVED OPTION, you will need to print your personalized "certificate of completion" and keep a copy with you at ALL SAY related functions (especially referees, as you may be required to show your personalized certificate to the appropriate SAY authorities prior to being allowed to officiate any games)

Email your concussion certificate to **mmysacoachesco@yahoo.com**
